DONJON AWARDED DREDGING CONTRACT AT MANHATTAN CRUISE TERMINAL

New York, NY — Donjon Marine Co., LLC has been awarded a contract to perform ongoing seasonal and emergency maintenance dredging at the Manhattan Cruise Terminal (MCT), ensuring safe navigational depths for mega-cruise liners and other vessels calling on one of the busiest passenger ports in the United States.

The multi-year contract, with \$40 million worth of work, will have Donjon dredge the iconic terminal, situated along the Hudson River between Pier 86 and Pier 92, on a regular seasonal maintenance schedule along with any emergency dredging as needed.

About Donjon Marine

Donjon provides marine dredging, salvage, heavy-lift, towing, demolition, and related maritime services throughout the New York and New Jersey harbor region and beyond, supporting critical infrastructure, environmental compliance, and navigational safety projects for public- and private-sector clients.
